Re: Increase in Sewer Fees

On December 15, 2011 South Carolina Public Service Commission issued Order Number 2011-880 to JACABB Utilities, LLC approving the implementation of the third phase rate increase at Forest Hills Subdivision. This rate increase was originally granted by Order No. 2004-101, March 11, 2004 under previous ownership. The monthly rate of \$82.82 will become effective with the February billing cycle.

Please understand that JACABB Utilities has tried in every way to keep your rates down as low as possible. However, approximately \$57 of this rate is paid directly to Anderson County for capacity fees and assessed utility taxes. The remainder is used to pay for the required improvements and operating costs.

Please feel free to contact our office at 864-882-8194 with any questions.

Sincerely,

JACABB UTILITIES
